

EU PPWR: PE BAG RFQ DATA CHECKLIST

A practical one-page worksheet for packaging buyers and importers

Pebag Factory

Use this worksheet to define the packaging facts a supplier can provide and the buyer-side decisions that still require market, legal, EPR or final-use review.

1 MARKET AND PACKAGING ROLE

DESTINATION EU MEMBER STATE(S)

PACKED PRODUCT AND INTENDED USE

PACKAGING ROLE (CHECK ONE OR RECORD THE BUYER'S CLASSIFICATION)

☐ Sales

☐ Grouped

☐ Transport

☐ E-commerce

☐ Needs review

2 PRODUCT AND PACKAGING SPECIFICATION

BAG TYPE / CLOSURE

MATERIAL STRUCTURE

BAG WIDTH X LENGTH

THICKNESS AND TOLERANCE

UNIT WEIGHT

PACKED PRODUCT WEIGHT

PRINTING / INK / ARTWORK

ZIPPER, ADHESIVE, HANDLE OR COMPONENTS

EXPECTED ANNUAL QUANTITY

SAMPLE OR DRAWING REFERENCE

3 EVIDENCE AND RESPONSIBILITY CHECK

- ☐ Exact material and construction data are recorded.
- ☐ Dimensions, tolerances and unit weight are confirmed.
- ☐ Recycled-content request is tied to exact-product or batch evidence, if applicable.
- ☐ Printing, closure, adhesive and other component details are listed.
- ☐ Buyer has defined the required test and document scope.
- ☐ Destination-market labelling and EPR responsibility owner are confirmed.

SUPPLIER CAN SUPPORT

Product specification, construction, measured dimensions, samples, drawings and documented material or batch information.

BUYER MUST CONFIRM

Final use, market role, destination-country rules, EPR setup, labelling and the finished packaging compliance assessment.

IMPORTANT BOUNDARY

This worksheet is for RFQ preparation. It is not legal advice, a declaration of conformity or a blanket claim that a PE bag is PPWR compliant.
